COTTON 'ROUND the CLOCK

at the QUARTERMASTER REPLACEMENT
TRAINING CENTER CAMP LEE, VA.

The recruit receiving his basic training at CAMP LEE USES COTTON EVERY HOUR OF THE DAY... he tosses back his cotton SHEETS and cotton filled COMFORTER, dons his cotton FATIGUES and falls out for reveille... breakfast over, he has callisthenics clad in cotton SHIRT, SHORTS, SOX and G. I. shoes... lecture on first aid, using cotton SLING and COMPRESS... he hustles into CANVAS LEGGINS, CARTRIDGE BELT, CANTEEN CARRIER, adjusts the WEB SLING on his rifle and has infantry drill... after noon chow, he goes on a march equipped with cotton canvas HAVERSACK and PACK CARRIER... pitches his cotton duck PUP TENT held up with cotton ROPE... the trainee learns to make a molotov cocktail with COTTON CLOTH wrapped around a gas and oil-filled bottle... he parades for retreat in his cotton KHAKI DRESS UNIFORM, presenting arms to a FLAG made of COTTON... after chow, he will shower and shave, using his cotton TOWELS... at night, he may mend his clothing with cotton THREAD or clean his rifle bore with cotton PATCHES.

Lights out at 9:30, the weary trainee gratefully hits his COTTON PILLOW for the night.
